

Wellness Spa Client Statement

I understand that my health is my responsibility and I am here to learn about nutrition and better health practices. I will be offered information about nutritional and food supplements, herbs, and lifestyle changes as a guide to general good health and this is considered a personal ministry and spiritual counseling.

I fully understand that those who counsel me are not medical doctors or practitioners and I am not here for medical, diagnostic purposes or treatment procedures. I am not on this visit or any subsequent visit, an agent for any church, federal, state or local agencies or on a mission of entrapment or investigation.

The services performed by Vitality Wellness Center, LLC and Laura Dyke, ND, CNHP are at all times restricted to consultation on the subject of nutritional matters intended for the maintenance of the best possible state of nutritional health. Vitality Wellness Center, LLC, Laura Dyke, ND, CNHP nor any of her affiliates are medical practitioners and do not intend to diagnose, prevent, treat or cure any disease.

The SoQi Bed (Hot House and Chi Machine) should not be used within 90 days immediately following an operation, if you are suffering from bone fracture. If suffering from a serious infection or bleeding injury or serious heart disease. If you are pregnant or nursing or within 30 minutes of a meal. The HotHouse ® should not be used directly over a pacemaker.

The Electro Reflexology Energizer Foot Massager should not be used by persons who have or use any electronic medical instruments such as implanted heart-beat regulators, artificial hearts or lungs, implanted pacemaker, are pregnant, or nursing a baby.

You should not use the E-Power if you have a pacemaker, are menstruating, are pregnant, have a high fever, with metallic items such as badges, jewelry or watches, or if you have drunk alcohol within 1 hour.

Pregnant women and/or people taking medications should consult with a health care professional and/or their medical doctor trained in its use to monitor results and/or prescribe a protocol before using these devices. It is not recommended for people with pacemakers or organ transplants as not enough research has been done on these conditions.

The Chi Machine, Hot House FIR Dome, Advanced Electro Reflex Energizer, Palm Massager, FIR Pad, E-Power or any other devices notated here: _____ that are used in the Wellness Spa do not diagnose, prevent, treat or cure any disease or condition; nor do they pull, push or force foreign toxins or materials from the body.
