Please take a moment and carefully read the following information and sign where indicated

• I understand that I am here to learn about natural health and better lifestyle practices, and that I will be offered information about food supplements, herbs and nutritional programs as a guide to general health.

• I understand that I should continue to see any medical doctors I am currently under the care of, and that any prescription medication should not be altered without first consulting the Doctor who recommended it.

• I fully understand that those who counsel me are not medical doctors, medical practitioners, licensed nutritionalists or licensed naturopaths. I am not here for medical diagnostic purposes or treatment procedures.

• Information about traditional uses of supplementation that may create a healthy balance in the body may be discussed. This is not intended to be interpreted as a substitute for a licensed physician's treatment. Nothing said, done, typed, printed or reproduced by us is intended to diagnose, prescribe, treat, cure or take the place of the care of a licensed physician.

• Our intent is to provide educational information for the purpose of assisting you with the lifestyle changes and decisions necessary to regain and maintain an environment needed to produce a healthy body.

• We may offer a variety of additional consultations or services at your request. These consultations or services are not intended to diagnose, prescribe, treat or cure; neither do they take the place of the care of a licensed physician.

• I am not on this visit or any subsequent visit acting as an agent for the federal, state, county, local law enforcement agencies or news media on a mission of entrapment or investigation.

• I recognize that Laura Dyke, CNHP *is not an* allopathic or medical doctor, nor does she represent herself as one. She *does not* treat, diagnose or prescribe any drugs. She *does not* do surgery, take X-rays or handle pregnant patients. Laura Dyke *is a Certified Natural Health Professional* that researches and teaches about the benefits of natural medicines, vitamins and supplements.

• I believe it is my constitutional right to seek Laura Dyke, CNHP's counsel and wisdom concerning my well-being and the maintenance of my health.

• I do hereby give Laura Dyke, CNHP permission to counsel me concerning my health and well-being, and to recommend any supplements that she deems necessary and to recommend a proper diet. I further understand that many of these natural remedies are still being researched and absolute results can not be guaranteed. If I choose to follow Laura Dyke, CNHP's advice, I do so at my own free will and I am under no obligation to take or purchase anything.

• By signing below, I agree that I have read, acknowledge and understand the above statements and that any decisions made in regards to consultations, services or products utilized are at my sole discretion. I will not hold Vitality Health Center, LLC or any of its affiliates responsible for my decisions and/or actions or for results as a consequence of my decisions and/or actions.
